

Name: _____

Date: _____

READING GUIDE: ACT 2, SCENE 4

The Diary of Anne Frank

Part A. Making Predictions

In Act 2, Scene 4, the members of the secret annex will be discovered. Using your understanding of characterization, you will make predictions about how each member will react. In the chart below, (1) first identify a prevalent characteristic of each character and (2) then predict that character's reaction based off that characteristic.

Character	Trait	Prediction (I predict _____ because _____.)
Anne		
Mr. Frank		
Mrs. Van Daan		
Mr. Van Daan		
Dussel		
Peter

READING GUIDE: ACT 2, SCENE 4

The Diary of Anne Frank

Part A. Making Predictions

In Act 2, Scene 4, the members of the secret annex will be discovered. Using your understanding of characterization, you will make predictions about how each member will react. In the chart below, (1) first identify a prevalent characteristic of each character and (2) then predict that character's reaction based off that characteristic.

Character	Trait	Prediction (I predict _____ because _____.)
Anne		
Mr. Frank		
Mrs. Van Daan		
Mr. Van Daan		
Dussel		
Peter		

Part B. Making Inferences

After reading of their discovery in Act 2, Scene 4, you will analyze characterization by making inferences based off each member's reaction. In the chart below, (1) first identify how each character reacted to discovery using textual evidence and (2) then infer that character's most prevalent characteristic based off that reaction.

Character	Reaction	Trait
Anne		
Mr. Frank		
Mrs. Van Daan		
Mr. Van Daan		
Dussel		
Peter		

Part B. Making Inferences

After reading of their discovery in Act 2, Scene 4, you will analyze characterization by making inferences based off each member's reaction. In the chart below, (1) first identify how each character reacted to discovery using textual evidence and (2) then infer that character's most prevalent characteristic based off that reaction.

Character	Reaction	Trait
Anne		
Mr. Frank		
Mrs. Van Daan		
Mr. Van Daan		
Dussel		
Peter
